

The Building and Construction Industry (Security of Payment) Act 2021

A discussion of what you absolutely, definitely need to know

JACKSON McDONALD
MULTI-SECTOR LAW

Jackson McDonald is hosting its introductory seminar to The Building and Construction Industry (Security of Payment) Act 2021 (the SOP Act) on Wednesday 17 November 2021.

Seats are limited so if you wish to confirm your attendance for this event or have any questions or queries please don't hesitate to contact [Deirdre McCrossan](#).

Event Information

Join Thomas Jacobs and Matthew Lang as they dissect and discuss the new SOP Act sharing their thoughts on the essential takeaways and the key impacts for principals, contractors and subcontractors involved in building, engineering and construction in WA.

Thomas and Matthew will be joined by representatives from the Department of Mines, Industry Regulation and Safety who will update attendees as to the roadmap towards the implementation of this major set of reforms.

Although the SOP Act is not expected to come into effect until August 2022, its impacts will be significant and wide ranging. Parties need to understand how their contracting; payment; security and retentions arrangements will be affected, and be prepared to manage the new statutory adjudication regime.

Our workshop will ensure you are equipped with the knowledge to navigate the SOP Act in confidence.

We hope to see you there!
