Perth based software company
Creators of TOKN Enterprise platform
Helping companies globally with digital transformation

Most Transformational Business
Solution 2020

Digital Transformation is not only about the tech

More solutions that don't do what we need

If only they asked us

Can't integrate with my data

Expensive lengthy projects

It doesn't work offline

It's about People, Process and Technology

Connecting people and Ideas ,

Engaging with the front line

Culture of innovation - Experiment

Monitoring results

Changing your approach

TOKN is cloud platform that connects systems, assets and people

1. Connect

2. Innovate

3. Engage

Online

Desktop

Tablet

Offline

Mobile

Sensor "Time series Data"

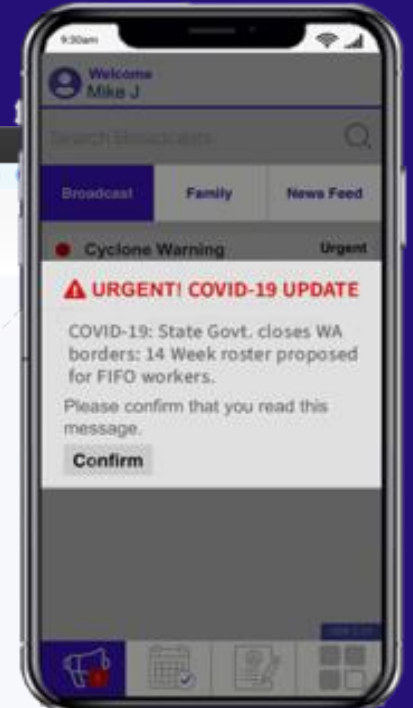

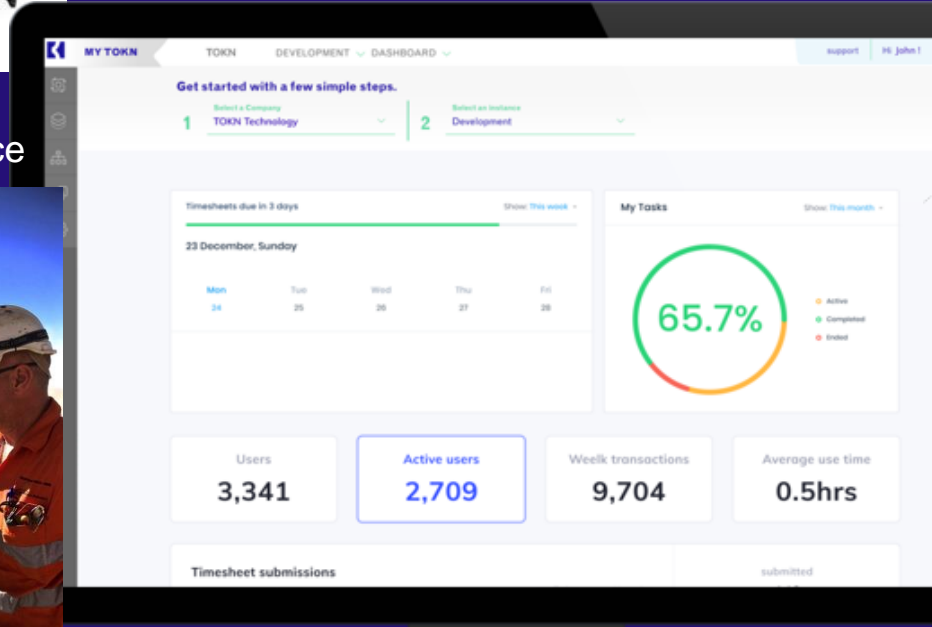

TOKN Industry 4.0 ready

Data Driven Analytics

Proactive actions

Connected workforce

MADER

safety – fatigue

inefficient process - cashflow

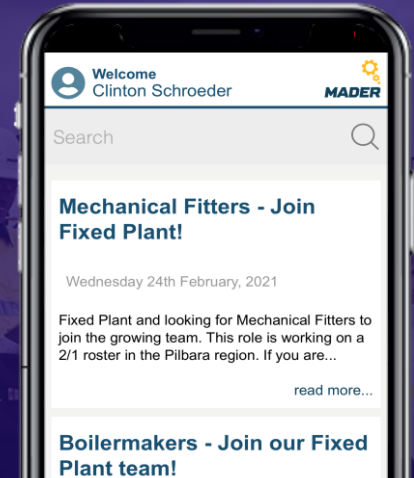

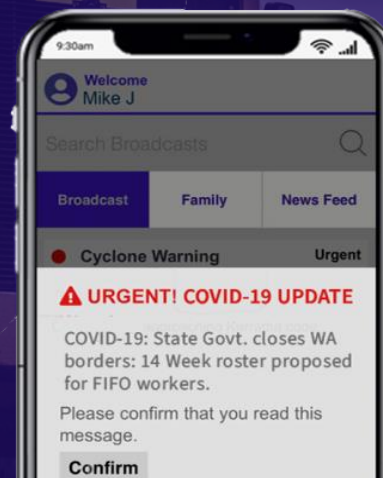

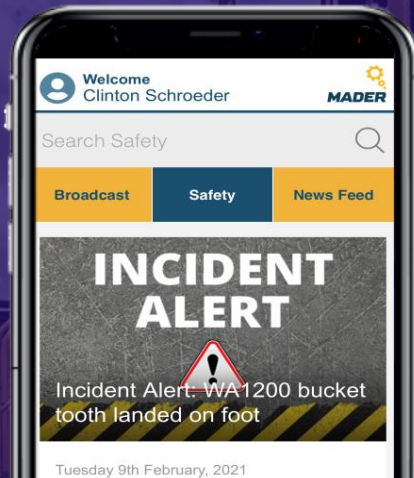

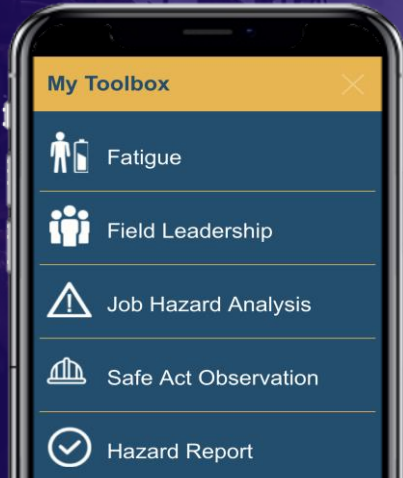

scaling workforce

Remote employee engagement

connectivity

A more connected and safer workforce
